

Dear Parents and Carers

We have now successfully joined Dunstan Catholic Educational Trust. This is an important day for the school and for education within the Clifton Diocese. I would like to introduce myself as the new CEO, I have spent my whole career in Catholic education and am passionate about ensuring our pupils, current and future, receive a fantastic education based on Christian principles which will stay with them and serve them well for the rest of their lives.

We celebrated Mass today with the children and had a small celebration in the school. The new logo for the MAT has been designed using the competition entries and is now on the DCET website www.thedcet.com, a link to this can be found on the school website which has not changed.

I know that during the process of joining the DCET many of you had questions, which we have always tried to answer. I want to assure you that our joining the Trust will not change our vision for education at Corpus Christi school, the Governors will continue to work for your school, your children and your local community and there will be no change how you can contact the school.

Being part of DCET will ensure that Corpus Christi School will be in a community of Catholic schools where pupils will receive an all-round education rooted in Christian values in a nurturing environment where they can flourish and become lifelong learners and fulfil their potential.

Kind Regards

Mrs Helen Taylor

Chief Executive Officer of the Dunstan Catholic Educational Trust
