The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles	To purchase and role out a classroom based "physical activity" package to support active learning / provide "brain breaks" for pupils (to build on the previous years focus on Skipping)	£500	£100 PEP resources PE Resources £325 Mat repairs £150 Line Markings £350 £700	We attempted to implement daily physical activity based on a 'daily mile' and 'daily skipping' where no new money was required. We have not yet discovered and implemented a whole school scheme which is successfully providing children with classroom based physical activity however we have continued to invest in PEP. We plan on making this a high priority for the following academic year, perhaps to implement more involvement from the PEP and sports crews at break times, using 'circus skills' we were taught in the Summer term to engage children. We are also looking at a new scheme 'Samurai Shiatsu' which incorporates mental health/ mindfulness/ wellbeing and physical development.
The profile of PE and Sport being raised across the school as a tool for whole school improvement	The stock of PE kit is enhanced / replaced for children and staff. Use of funding to support a 1:1 role to provide intervention for identified groups (SEN and G+T) Aim for 2 lunchtimes each week. Sports Crew expanded to include Y5 pupils. (money for alternative competitive activities they can deliver)	£500 £1500	PE kit children and staff £340l 1:1 support £1500	Pupils feel proud to represent our school . Helps to raise standards and expectations for PE kit. Groups of 6 KS2 children identified as having 'SEN' were the main priority for the lunchtime support. Pupils value the roles in leadership and facilitate lunchtime activity, the sports crew ran different competitions during lunch times e.g. table tennis.

Increased confidence, knowledge and skills of all staff in teaching PE and Sport	Sign up for the "Legacy Project" delivered by Future Stars. Personalised CPD for all staff. Targeted support for teachers delivering the Real PE scheme (based on individual needs)	£4000	£1,700 + £2,300 £4000	All teachers in the school worked with staff from the Legacy Project which has ensured high quality PE teaching is happening across the school. Attainment in PE is broadly in line with age related expectations for all pupils. The delivery of Real PE continues to develop and teachers build on prior support to improve in key areas. Where staff did not have initial Real PE training this was given. With staff turnover this year CPD will remain a high priority.
Broader experience of a range of sports and activities offered to all pupils	Enhance the provision of swimming to enable Year 3 and 4 to access this year. Taster sessions for "new" curriculum activities Use funding to deliver "New" extra curricular activities which are available to all students : *Irish Dancing being funded in T1 and T2 (has engaged children who previously haven't attended sc	£3000 £1000 £550.00 (approx 3 terms)	Balance bikes £300 Circus Sensible £1500.
