Celebrating Our School Masses

Year 4 Class Mass It was lovely to see so many parents joining us for our first class Mass of the academic year, led by Canon Tom in the classroom. It was a wonderful opportunity for our faith community to come together and celebrate the start of a new school year. Thank you to Canon Tom for guiding us and to everyone who attended and helped make the occasion so special.

Year 3 Mass in Church It was a joyous occasion to see our Year 3 children walking down to church on Wednesday to participate in their very first Mass of the year. They behaved impeccably and represented our school brilliantly as we shared in worship together.

Is My Child Too Ill for School?

As we navigate the colder months and common winter bugs, deciding whether a child is well enough for school can sometimes be tricky.

To help families make informed decisions, we have included the official NHS guidance below. As a general rule, minor sniffles, a slight cough, or a mild sore throat shouldn't usually stop your child from attending, provided they do not have a high temperature and feel well enough to learn. However, conditions like vomiting and diarrhoea require at least 48 hours clear from the last episode before returning.

For quick reference, you can view and download the official resources here:

- [NHS Online Guide – Is my child too ill for school?](#)

If you are ever unsure, please feel free to contact the school office and always remember to notify us on the first day if your child is going to be absent.

Thank you, as always, for your support, kindness and partnership. Together, we help to make Corpus Christi a safe, welcoming and respectful place where every child can flourish.

Wishing you all a lovely, restful weekend.

A glimpse of learning this week:

It has been another busy and exciting week in **Year 5**!

This week, the children have been focusing on our school value of the term: **Stewardship**. They have reflected on what it means to be kind, to look after one another, and to take care of ourselves. During our **Celebration of the Word in class**, we thought about how we can care for the world around us and explored what it means to be part of the **Kingdom of God**.

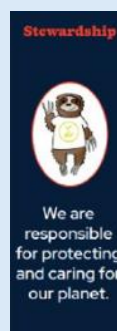

In **Maths**, they have been exploring numbers up to **1,000,000**. The children have worked incredibly hard and have done a fantastic job developing their understanding of these large numbers. We are very proud of their effort and enthusiasm!

In **English**, the children have continued studying *Greenling book*. They have been exploring how authors use **metaphors and figurative language** to make their writing more vivid and interesting. The children have enjoyed experimenting with their own ideas and using figurative language to bring their writing to life.

Well done, Year 5, for another fantastic week of learning, kindness and **stewardship**!

In **EYFS**, the children have been exploring Creation and Covenant through our **RE** lessons and Celebration of the Word. In **Maths**, the children have loved using hands-on manipulatives to explore number bonds to 5, while in **Phonics** they are sharpening their oral segmenting and blending skills in preparation for Phase 2.

We are also so proud of how well the children are demonstrating **stewardship** by keeping their classroom clean, tidy and welcoming!

BE SMART ONLINE

S SAFE Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M MEET Meeting up with someone you only know online, even a friend or a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.childnet.com.

A ACCEPTING Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R RELIABLE You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T TELL Tell a trusted adult if something or someone online makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childnet - 0800 11 11 or www.childnet.org.uk

BE SMART WITH A HEART Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
