### Message from Miss Stephens

#### Year 6 Shine at Parish Mass!

We were so incredibly proud of our Year 6 children this week during our visit to the parish Mass. As the oldest leaders in our school, they really stepped up and set a wonderful example for everyone. They were beautifully respectful, focused, and fully joined in with the celebration from start to finish.

A huge well done to the children who volunteered to bring the offertory and lead the prayers - you spoke so clearly and confidently! We also want to say a massive thank you to the parishioners, who always give our children the warmest welcome. It is wonderful moments like these that bring our school, homes and church family closer together, helping our children grow into confident, active members of our community.

#### A Gentle Reminder: Morning Routine & Lateness

To help the school day start smoothly and ensure your child doesn't miss out on important morning learning, please remember that our daily registration closes at 8:45 am. If your child arrives any time between 8:45 am and 9:05 am, they will be marked as late in the register. Please note that arrivals **after 9:05** am must be recorded as an unauthorised absence for that morning session, unless there is a pre-agreed medical reason. Thank you so much for your support in helping the children arrive on time and ready to learn!

#### Non-Uniform Day for Weston Foodbank 🛒

Following our wonderful visit from the Weston Foodbank last week, we are holding a special non-uniform day next Tuesday. In exchange for coming to school in their own clothes, we kindly ask that the children bring in a donation or gift to support the foodbank's vital work in our local community. They are currently very grateful for any non-perishable food items, toiletries, or long-life goods. Thank you in advance for your incredible generosity and for helping our children put their values into action!

#### FFA School Disco! 🎉

The excitement is building because next Tuesday is also our school disco day, fantastically organised by our amazing FFA! It is going to be a brilliant afternoon of music, dancing and fun with friends.

Please note that children should not come to school dressed in their disco outfits. Since it is non-uniform day, they can wear comfortable, casual clothes for the morning and they will then have a chance to go home in the afternoon to change and get ready for the party!

### A glimpse of learning this week:

This week in year one, the children have been writing their independent stories of Leaf Man. The children have been thinking about what they need to make a perfect sentence and tried their best to include these things. In maths, they have been learning to write number sentences. They have learnt about the addition and subtraction symbols and how we use them. In science, the children have been learning about materials and what things are made from. The children went on a walk around school to identify different objects and what they were made from.

Year 5 children have been learning about the structure of a balanced argument as well as working hard to improve their presentation skills. The children have been organising their ideas clearly, presenting both sides of an argument and expressing their opinions with greater confidence. In Maths, the children have been applying their knowledge of place value as they learn about addition and subtraction. In RE, they had a fantastic discussion about what sin is and how it affects our relationship with God. Great effort from everyone, as always! Well done, Year 5, for your continued hard work and enthusiasm for learning.

### Individual School Photos

Monday 19th October is School Photo Day. The photographer will be available from 8:15am to take photographs of children who have younger/older siblings not attending our school. If you would like these sibling photographs taken, please bring your children to the school hall from 8:15am. If all of your children attend Corpus Christi, there is no need to arrive early. The photographer will organise sibling photographs during the school day and children will be called from their classes when needed.

Children will need to please be dressed in their full uniform please.

If you DO NOT wish your child to have their photograph taken, please contact the school office.

### Parents RE Questionnaire

We would be grateful if you could please take a few moments to complete this short questionnaire about Religious Education (RE) in our school. Your feedback will help us continue to develop and strengthen our RE provision. Please complete the questionnaire by **Wednesday 21st October**. Thank you.

### Polite Reminders

Our school day starts at 8.45am. Any children arriving after this time will be marked on the register as late.

### FFA School Disco

Please book your tickets via the 'Products' section of your 'My Child at School' app.

Canon Tom is our Parish Priest.
