Message from Miss Stephens

Careers Fair

We are delighted to be introducing a Careers Fair this autumn to help broaden our children's horizons, raise aspirations and showcase the many opportunities available to them in the future. The event will take place on Friday 4th December from 1:30pm to 3:00pm.

As part of this event, we would like to invite parents and family members to come into school and share information about their careers, jobs or professions with our pupils. Whether you work in healthcare, construction 👷, finance, education, engineering 👷, the emergency services 👩‍🚒, business, retail, the arts or any other field, we would love for our children to learn more about the wide variety of career paths available to them.

If you would be willing to give a small talk or host a table during the afternoon, please contact the school office. Your experiences could help inspire and motivate the next generation.

Parents evening

Thank you to all parents and carers who attended our Parents' Evening this week. We were delighted to see such a high turnout and greatly appreciate the opportunity to work together in supporting your child's learning and development.

If you have not yet had the chance to meet with your child's teacher, please contact the school office to arrange an appointment at a convenient time. We value these conversations and look forward to discussing your child's progress with you.

Picture News at Home

Story: Diwali celebrations in Leicester return this November. It's one of the UK's biggest Diwali festival locations, with music, dancing, colourful lights and family activities.

Question: Should traditions always stay the same?

Yr 4 – **Mahima** (Love) **Amelia** (Respect)
Yr 5 – **Daisy** (Curiousity) **Andrei** (Respect)
Yr 6 – **Clara** (Love) **Jeremiah** (Curiousity/Love)

Headteacher Award

Yr 3 - Szymon

A glimpse of learning this week:

Year 6 enjoyed their first swimming session this week and demonstrated excellent behaviour and enthusiasm in the pool. In Maths, they have begun learning long division and are already showing determination as they develop this important calculation skill.

This week in year one, the children have been learning about nouns and adjectives and using these in their writing. In art, they have painted poppies for remembrance. In maths they have been doing lots of addition. The children also started their PE with the sports coaches today.

Foundation Stage have settled in so nicely after their week off, it was almost like they never left. They have almost finished their Phase Two phonics now! We have continued mastering numbers with a focus on 1:1 correspondence and counting. The children have begun learning about multiple new subjects such as Geography and Science! The children have really enjoyed these subjects and become very engaged in them.

Year 3 have been learning about why people live near volcanoes in Geography and the importance of E-safety in computing.

Year 5 has had a fantastic start to the term! They have been learning about how to keep our school green and have been working on a letter to Greenling about the different ways they can be good stewards of God's creation.
This week, the children have attended Wednesday Mass, where the children had the opportunity to read the bidding prayers, bring up the offertory and pray for the needs of others as well as their own intentions. They represented their class beautifully and showed great reverence throughout the service.
In Maths, they have successfully completed their learning on addition and subtraction and are excited to begin exploring multiplication and division next week.
It has been a wonderful first week and Mrs Ayres is incredibly proud of everyone's enthusiasm, positive attitude and har work. We look forward to another exciting week of learning ahead!

Light Up Christmas Event – Monday, 9th November.

We're delighted to share that the children will be attending a special "Light Up Christmas" event at St Paul's Church. This year's theme is "Hope Has a Name," and the children will be making decorations for the Christmas trees in the Church.
Schedule for the day:
Morning session: EYFS, Year 1, Year 5 and Year 6
Afternoon session: Year 2, Year 3 and Year 4

We are looking for some parents who would be able to help - to walk to the church with us, stay and help, and then walk back to school with us. For the morning session we will be leaving school at 9.45am and will return at 11.45am.
For the afternoon session we will be leaving school at 12.45pm and will return at 2.45pm.

If you are able to help, please let the school office know. We really appreciate your support.

KS2 Movie Night!

Children in Years 3, 4, 5, and 6 are invited to a Movie Night on Tuesday 10th November, straight after school until 5.15pm.
Movie - Minions & Monsters
Included - Popcorn and a drink of squash
Cost - £2.50 per child. Please bring in cash to the school office.
All money raised will support Young Carers.

Canon Tom is our Parish Priest.
